Subject of the Disclosure
Alaminos BESS Inc. - Philippine Electricity Market Corporation (PEMC) Penalty
Background/Description of the Disclosure
Alaminos BESS Inc., a subsidiary of ACEN CORPORATION, received notice dated 30 July 2026 from the Philippine Electricity Market Corporation (PEMC) of a ₱76,250.00 financial penalty for non-compliance with the Reserve Conformance Standards (RCS) for the May 2026 billing period. The penalty was imposed under the Ancillary Services Monitoring Manual, which sets out the standards and parameters for assessing Ancillary Service Providers' (ASPs) compliance with their reserve obligations. Based on PEMC's assessment, the non-compliance involved one hundred seven (107) intervals beginning April 26, 2026, during which Alaminos BESS Inc. did not meet certain RCS requirements for its Regulating Reserve and Contingency Reserve services. The resulting penalty amounted to ₱76,250.00. The non-compliance was attributable to operational limitations encountered during the relevant intervals. Alaminos BESS will settle the amount in accordance with PEMC's billing and settlement procedures, and it remains committed to complying with applicable market rules and supporting the reliable operation of the grid.
